.../...  
...72...  
...Social Aptitude Score...

My family was affluent before The Maelstrom, so there was a time when I drank in my early childhood.

You can tell I'm 72.

Mine was the last generation that could formally drink alcohol.

What a surprise,

you really know your stuff.

do you realize how **shameless** this is?

So, I wonder,

whether it be Niger's central government or the Touareg Tribe, will be based on our reports.

The party that will be given "justice",

The truce supervision council in Niger is now caught in an extremely sensitive situation.

but the  
Touareg  
want a  
means to  
control  
that.

The Nigerien  
government  
is offering to  
maintain the  
health of their  
caravaneers,

I wonder,  
from what  
perspective  
does that  
comment  
come from?

Well, I  
guess  
that's  
true.

The original  
ideologies  
between  
traditional  
"governments"  
and our  
"Vigorments"  
differ.  
Regardless  
of their  
excuses,  
they are  
"actors" in  
a capitalist  
consumer  
society.

Knowing  
that it  
automatic-  
ally reports  
to a health  
maintenance  
server...

Just how in  
the world did  
you manage  
to silence  
the WatchMe  
within your  
bodies!?

The night  
before the  
civil war,

was  
consuming  
alcohol,  
tobacco,  
and other  
harmful  
substances  
from the  
previous  
era...

The Helix  
Assembly,  
which  
adopted  
survivalism,

and  
immorally  
manipulating  
Medicare.

the truce  
supervision  
council,  
a supposed  
neutral party,  
was acting  
biased towards  
certain parties,  
making illegal  
transactions...

Tuan

it seems the chief has forgotten that she's a girl.

Yet sadly,

Girls

hold the power of magic!

these dirty tricks of yours to your Vigorment.

I will announce

You've been sending fakes, haven't you?

Don't go thinking that's funny.

The elements of WatchMe in your body which perform diagnostics have been completely normal.

Nothing  
will come  
of it!

because  
of this mess  
of yours,  
I wonder what  
will become  
of our truce  
supervision  
in this area.

but  
now,

I thought  
you were  
a prodigy  
bearing  
hopes for  
the future,

There's  
no way  
you'd do  
something  
to stain this  
emblem of  
ours.

Because  
after all,  
I know  
you won't  
publicize  
it.

However  
...!

and also  
for the  
short-term  
outcome of  
this truce  
supervision  
council.

For  
the sake  
of the power  
that's been  
amassed in  
hopes of a  
society filled  
with peace,  
health and  
love

Of course  
I cannot  
publicize  
this sort  
of thing!

Wait-

will  
state that  
smoking  
on the  
battlefield  
will no  
longer be  
permitted.

In 48  
hours, a  
report  
from our  
regional  
office

Until  
you can  
calm yourself  
down, you are  
ordered to  
return to  
your home  
country.

You  
shall  
repent!

*You  
can't be  
serious!?*

*"Home  
country"...  
you mean  
Japan!*

and  
recall our  
communal  
etiquette.

Thoroughly  
savour  
loving and  
being loved  
in your home  
country,

So there  
will be no  
need to  
publicize  
the cause  
of your  
transfer.

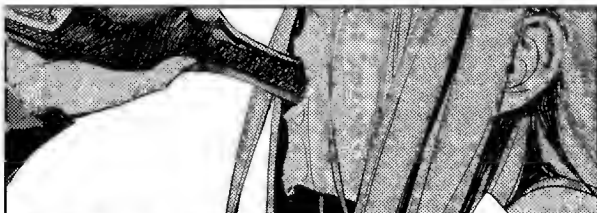

...You  
can't be  
serious...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.

Japan  
...

I guess  
this is  
farewell  
for now.

The place  
that Miach  
hated with  
all her  
might,

and  
that this  
adolescent  
me  
loathes.

</disappointment>

<recollection>

We will  
survive  
in the  
future.

"The  
future is,  
in a word,  
'boring'."

"The future  
will simply  
become a  
huge docile  
ghost town."

The original Japanese says "suburb of spirits".

We will be  
imprisoned  
in the  
future.

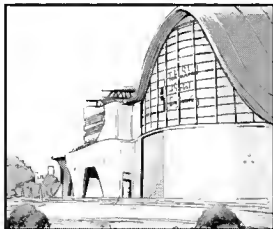

<recollection>

Mihie Miach is, an eccentric.

despite  
being in the  
classrooms  
of this era,  
maintained  
a sublime  
isolation,

A problem  
child with  
top grades  
who,

A realization  
that they are  
a treasured  
existence and  
an awareness  
that they are  
a resource.

It's a societal  
infrastructure  
where everyone  
is indispensable.

Children  
who have  
not yet had  
WatchMe  
injected into  
their bodies  
assemble at  
school and  
prepare for  
adulthood.

and  
everybody  
works to  
get past  
painful  
times.

Everybody  
rejoices  
in happy  
times,

so  
getting  
injured is  
forbidden.

We all  
possess  
communal  
bodies,

Us  
treasured  
children,  
born  
after The  
Maelstrom.

Mutually  
supporting  
one another's  
love

and  
frolicking  
in  
harmony.

That  
was what  
becoming  
an adult in  
this society  
was all  
about.

The solitary  
Miach stood  
out because  
she was in the  
dead center of  
all that, but...

I have no  
interest in  
ordinary  
human  
beings.

as you  
would expect,  
eventually  
nobody  
wanted to  
reach out  
to her.

even the  
softhearted  
people who  
greeted her  
saying that  
being alone  
wasn't a  
good thing..

With  
nothing  
but that  
attitude,

</recollection>

<recollection>

Say,  
Cian.

She too met  
with Miach  
in the same  
manner as I.

Cian.  
Reikado  
Cian.

</recollection>

My "encounter" with Miach.

<recollection>

Kirie  
Tuan-san.  
I beg your  
pardon

An  
ordinary  
day after  
school

The  
boring  
road  
home.

please  
allow our  
clinic to  
assist you!

If you  
would like  
to try and  
correct the  
underlying  
cause.

Have you  
seen any  
improvement in  
your autonomic  
nervous  
system's poor  
balance?

It's not  
like she  
caught my  
attention.

I was  
simply  
thinking,  
"Hm, there  
she is."

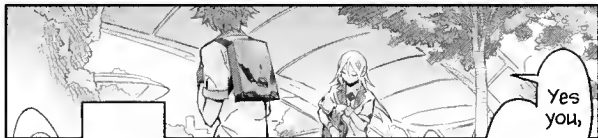

You.

It was so abrupt, I didn't immediately realize that she had called out for me.

Yes you,

Miach found me.

Kirie Tuan-san!

And that was our "encounter."
